**Findorff Earns Award of Merit in *Midwest Construction's*
Best of 2008 Awards**

Madison- J.H. Findorff & Son has earned the distinguished Award of Merit from *Midwest Construction* Magazine for their work on Saint John the Baptist Church in Waunakee.

Findorff took the task of modernizing a 100-year-old church to accommodate a growing parish. "Our masons took extraordinary measures to maintain the Old World style, using real Indiana Limestone to compliment the church's existing structure" said Findorff Project Manager Luke Hutchins. "The results are just beautiful."

With a team of local contractors working on this project, it became a full community effort. "It was a very special project from start to finish," Hutchins said.

J.H. Findorff & Son is one of Wisconsin's leading builders, with offices in Madison and Milwaukee. Findorff currently employs an average of 600 construction professionals and tradespeople, and completes over \$300 million in construction annually.
